Let's Go On a Baltimore Valley Garden Centre Walk!

See if you can answer all these questions!

Butterflies

They love our garden centre!
How many did you see today?

Fruit Trees

How many types of fruit trees
did you see?

Our Pond

Did you see the orange &
white fish? Do you have any
name suggestions?

Baltimore Valley Staff

We always wear a vest! Say
"hi" and ask our name.

Concrete Statues

How many different animals
are there?

Evergreen Trees

These trees have needles and
stay green all year round.
Which type is your favourite?

Berry Plants

Name a berry plant that you
found.

Seed Packages

Lots of people like to grow
plants from seed. What would
you like to grow? Flowers or
vegetables?

Ginkgo Tree

The ginkgo tree is the oldest
treen known (it was growing
when dinosaurs roamed!). Can
you find a ginkgo tree?

Purple Flower

Can you find and name one
purple flower?

Maple Trees

The maple leaf is shown on the
Canadian flag. Do you know
what type of maple produces
syrup?

Annual House

There are lots of flowers in the
annual house. Do you have a
favourite?
