This class is meant for all levels of artists. It will introduce beginners to how to create an abstract floral & will challenge an advanced artist to try something different.

A delicious lunch & refreshments will be provided!

## Abstract Floral

### The {art} of Inspiration

---

Laura Wood is an Ottawa based artist who paints with gestural strokes to create elegant abstract compositions. Her paintings are evocative and emotive as she uses paint and colour to represent, as Wood describes- “what otherwise can not be expressed with words.”

Her process is intuitive as she is guided by the paint & chance happenings with colour mixing and form. Intentionality happens as she takes pause between strokes. This dance back and forth between pure expression and thoughtful mark making is how her works are created.
